PRE-EMPLOYMENT/POST OFFER MEDICAL HISTORY AUTHORIZATION AND SUBSEQUENT PHYSICAL FORM

I have reviewed this pre-employment post offer physical examination form and I agree to submit to a physical examination and laboratory studies as a condition of employment at a Lehigh Valley Health Network subsidiary**. I understand that my employment is contingent upon successfully passing the physical examination including laboratory studies; the collection of blood, urine and saliva to screen for the presence of drugs/alcohol, and meeting the Rubeola, Varicella, Rubella, Mumps and influenza immunization requirements.** I acknowledge and understand that if I do not pass the standards established, I will be disqualified as an applicant for employment. I understand that if I am asked to provide additional medical documentation at the time of the evaluation, my physical cannot be completed until the requested documentation is received and evaluated. I understand that my employment cannot commence until my physical is completed.

I understand that if the drug test is positive, the information will be sent to the Medical Review Officer (MRO) for review and interpretation. MRO findings will be discussed with Human Resources.

I understand that my urine will be screened for cotinine, a nicotine metabolite, for the purposes of certifying my tobacco use status, should I elect to take LHVN benefits I understand that the results of the cotinine screening will be shared with the Benefits Counselors in Human Resources, for the sole purpose of benefits administration.

I understand I will be tested for communicable diseases, including tuberculosis, Hepatitis B and Hepatitis C. If the result indicates infection, an assessment of my job duties will be made to determine if I can perform the essential functions of my position with or without reasonable accommodation.

I understand that results of my pre-employment physical exam may be shared with my direct supervisor if they affect my work duty responsibilities.

I understand that any Pre-placement or Work Physical examination is for the determination of work status or ability to perform duties at a Lehigh Valley Health Network subsidiary only. It is not for new diagnosis of medical conditions or routine medical care. This examination and other information contained in my Employee Health file is not intended to be used or relied upon by third parties for their own purposes. This does not take the place of a personal/primary care physician's health care examination or treatment plan and I understand that I must return to my personal/primary care physician for this care.

I also understand that if I have patient contact I will be required to be immunized against influenza unless I request and am granted an exemption because of a valid medical reason or bonafide religious reason.

The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits employers and other entities covered by GINA Title II from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law. To comply with this law, we are asking that you not provide any genetic information when responding to this request for medical information. 'Genetic Information,' as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic tests, the fact that an individual or an individual's family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

I AGREE TO INDEMNIFY AND HOLD HARMLESS LEHIGH VALLEY HEALTH NETWORK AND ITS SUBSIDIARIES, TOGETHER WITH ALL THEIR TRUSTEES, OFFICERS, EMPLOYEES AND AGENTS FROM ALL LOSSES, CLAIMS, DAMAGES, AND LIABILITIES ARISING FROM THE USE OF THE INFORMATION CONTAINED IN THIS FORM AND IN MY EMPLOYEE HEALTH FILE BY ANY THIRD PARTY.

VACCINATION/COMMUNICABLE DISEASE REQUIREMENTS

I understand I may be screened for immunity to several communicable diseases, depending upon the documentation I provide at the time of my physical. I understand that if acceptable documentation of disease or vaccination is not provided at the time of assessment, my blood will be drawn to determine immunity. If the laboratory test determines I am not immune, I understand I must be immunized **PRIOR** to my start date. I will not be permitted to start employment without the required immunizations. **I understand that ALL network employees are required to be immune to rubella, rubeola and mumps. Varicella immunity is required for network employees with patient contact. MMR & Varicella vaccines will be provided by the hospital free of charge when indicated. Annual tuberculosis screening may be required of some employees.** Influenza vaccine is required of all employees with patient contact. Influenza vaccine is free of charge to all employees. Hepatitis B vaccine is offered free of charge to all employees who are risk for blood and body fluid exposure.

I, THE UNDERSIGNED, DO HEREBY CERTIFY THAT TO THE BEST OF MY KNOWLEDGE, THE ANSWERS I HAVE GIVEN TO THE QUESTIONS ABOVE ARE TRUE AND THAT I HAVE NO PHYSICAL IMPAIRMENTS, CONDITIONS OR CONCERNS EXCEPT AS STATED ABOVE. I UNDERSTAND THAT FAILURE TO PROVIDE ACCURATE AND COMPLETE INFORMATION MAY RESULT IN TERMINATION OF MY OFFER OF EMPLOYMENT OR EMPLOYMENT IF DISCOVERED AFTER I BEGIN WORKING.

WORKERS' COMPENSATION INFORMATION

In Pennsylvania, the workers' compensation law provides wage loss and medical benefits to employees who cannot work and/or who need medical care because of a work-related injury.

Benefits are required to be paid by your employer when self-insured or through insurance provided by your employer. Your employer is required to post the name of the company responsible for paying worker's compensation benefits at its primary place of business and at its sites of employment in a prominent and easily accessible place, including, without limitation, areas used for the treatment of injured employees or for the administration of first aid.

You should report immediately any injury or work-related illness to your employer/supervisor. Your workers' compensation benefits could be delayed or denied if you do not notify your employer/supervisor immediately. Your Workers' Compensation Coordinator is located within Employee Health Services, Lehigh Valley Health Network, 1200 S. Cedar Crest Boulevard, 610-402-8869.

If your work-related injury claim is denied, you have the right to file a petition and request a hearing before a workers' compensation judge.

The Bureau of Workers' Compensation cannot provide legal advice. However, you may contact the Bureau of Workers' Compensation for additional general information at:
